

Boats Fact Sheet

******There is a limited capacity on each boat which will be explained to you******

*****The rowing boat if for no more than 3 adults (or 2 adults and 2 children) *****

No engines can be used on boats due to insurance limitations.

I can take guests on a guided tour of the lake in my own powered boat.

No jet skis are allowed on the lake.

There is a sailing club on the lake and a launch site with slip way at the dam end if you wish to bring your own sailing boat.

You can bring your own canoes if you wish.

At weekends and in the summer, there are usually safety / rescue boats on the lake as well as a ranger who will check that you are wearing the required safety equipment (life jacket etc.). He also performs spot checks on craft.

You will be asked to sign the following disclaimer if you wish to use boats:

Please Note – no alcohol or illicit substances to be consumed on the boats. We have had one full on rescue and it is vital that all boat users wear life jackets and keep off any private land. There are rangers that patrol the lake and monitor the activity of any boats. Please do not annoy local residents, fishermen, rangers, landowners.
