

## **Special Requirements**

If any member of your party has any special requirements or has specific needs due to disability then please speak with Mark before making a booking to ensure that you are happy with the facilities that are available.

Due to the numbers of steps and proximity to the Water, Water's Edge may not be suitable for party members who have mobility difficulties. Again, a conversation with us would be a good idea.

Due to the proximity to the water all youngsters will require full supervision at all times by an adult.
